NOUVEAU PALAIS

Rental amenities floors 1 - 5 and level -1

This concerns interior renovations of the historic building "Nouveau-Palais" located near the Grand-Place of Brussels and held by the Group Herpain since 1973.

The goal is to redevelop the office space to meet the new needs of the tenant, Tourism Flanders, who occupies the entire building. The ground floor has a commercial function while the 5 other floors are used as office space.

The work involves the reorganization of the divisions for more open space surfaces and the integration of meeting rooms, repainting, electrical and HVAC adjustments and new flooring, as well as installing a shower and cloakroom space for cyclists.
