

## TREFLES

Construction of a 158-bed nursing home and 152 turnkey rooms.

The new Retirement and Care Housing located in the Trèfles area in Anderlecht will offer 160 beds of which 12 double bedrooms. Two secured units of 14 rooms will welcome residents suffering from Alzheimer.

The neat green spaces blend harmoniously into the environment of the residence. The combination of sober colours creates a soft and modern ambiance. Every detail has been designed and arranged to provide comfort and pleasure : elegant and comfortable rooms, spacious and tasteful spaces, pretty gardens and adapted common areas.

Route de Lennik à 1070  
Bruxelles

The Trèfles Residence provides furnished but customizable rooms according to the taste of the resident. Each has its own bathroom with an Italian shower and nurse call.

Everything is organized to offer a new comfort of life in a privileged environment with great serenity.
